Free Wood/Mulch Large tree branches (Dallas)

image 1 of 2

I had to have my large maple tree taken down and would like the wood used by someone who can. Firewood, crafts, whatever. These pieces are HUGE, and you can have whatever you can take away. I also have a large pile of wood chips which I don't have much need for right now. If you'd like to have some, it is free to take. Please email for address info.
