## Honorarium Discussion

**Vote:** Chairs and vice-chairs (and other appointed persons) may reject honorarium classes submitted for their committee. If no rejection is sent by an appointed person to the Honorarium Auditor then the class will be approved unless the honorarium auditor rejects for an unrelated reason.

- Draco says that it is easy to set up the calendar to send an email to the Committee email.

- Abstaining: 1

- Note: For those committees that didn't give us numbers, they are left with the leftover honorarium pool to be requested from the Education committee.
- Note: Honorarium allocations will be reviewed for committees who are not using their honorarium budget by 5 for more classes. Honorarium budget maybe adjusted to reflect a more realistic allocation.
- For: 14
- Against: 0
- Abstaining: 2 (Kevin had to leave)

Potential \$5 for all members to be revisited at a later date if this allocation strategy doesn't work.  
 Question: Need a report of the number of classes used for August and September at the Sept. B&B.

Question: Can classes that don't make or are cancelled be rescheduled and still count?

## Other Discussions:

What regulations are being put on classes that are aimed at non-members which take up valuable space during prime hours (for example, acting classes).

- Education says that they are being monitored already. If they are not cleaning up after themselves file complaint with Education.
